

Montana Council of Cooperatives

November 30, 2017

Dear Friends of Montana Cooperatives,

The Montana Council of Cooperatives will hold their annual meeting of members January 11 and 12, 2018 in Great Falls, Montana. This annual event is both an important business meeting and a unique opportunity to enhance the relationship between the member organizations and industry leaders. Our annual meeting will include challenges and successes of new cooperatives as well as updates from existing cooperatives, branding and communications update, human resource issues, Montana State budget update, and much more.

Our event will not be successful without your sponsorship. We are in need of sponsors for refreshment breaks, buffet breakfast, luncheon, social event and buffet dinner. Your organization will be recognized at the sponsored event with signage and a special thank you. Please send your sponsorship to Montana Council of Cooperatives, PO Box 3027, Great Falls, MT 59403.
