HOST Your Legislators and Their Guests

The Montana Council of Cooperatives encourages its members to financially support our legislative outreach efforts. The Council provides the official name badges for the Montana State Legislature at no charge and hosts a special dinner for legislators and their guests at the beginning of each biennial session. Legislators tell us how much they appreciate their name badges and how they enjoy this special event hosted by cooperatives from back home. The Legislative Dinner also is a great opportunity to support the Council’s mission to educate policy-makers about the benefits of cooperatives. Please support the Council’s legislative efforts by hosting one or more members of your local delegation with a \$100/person contribution.
